Hi Ellen,

At the PCPC meeting Midori said she was willing to help. I think we should take her up on her offer. I like the idea of a press conference. If this is scheduled for Feb. 7th we will have time to plan. We should get other Oped's in other publications...Downtown News etc. May be we should plan to get together on Monday, after the meeting morning meeting. If you're available I'll check with Kristin and Midori.

Last night Leland said for you to send him an invoice for the website directly.

Joanne

Kristin,  
Thank you again for allowing us to present to LTCC yesterday.  
I wanted to make sure you had the file for the Cultural Heritage Commission's application for Parker Center, it is different than the EIR or Civic Center Master Plan.  
It is CF 15-0127
